Aris AICB

Financial Analyst

hello@example.com linkedin.com/in/armand-ab-rahman-1b536321b

Profile

Financial analyst with five years of experience in equity research and corporate finance. Builds valuation and forecasting models that are clear enough to explain and robust enough to trust.

Experience

Senior Financial Analyst 2023 to now

Northbridge Capital

- Lead valuation and sector coverage for the consumer team across 20+ listed companies.
- Built a retail sector DCF model that supported a buy rating with 22% price target upside.
- Mentor two junior analysts on modelling standards and review.

Financial Analyst 2021 to 2023

Harbor & Co.

- Built a rolling 13-week cash flow forecast in Excel and Python, cutting reporting time from two days to two hours.
- Produced monthly management reporting and variance analysis for corporate clients.

Selected projects

- **Retail sector valuation.** DCF model for six listed retailers with scenario analysis on margin and growth. *Supported a buy rating with 22% upside.*
- **Cash flow forecasting tool.** Rolling 13-week forecast in Excel and Python replacing a manual monthly process. *Cut reporting time from two days to two hours.*
- **Portfolio risk dashboard.** Power BI dashboard tracking volatility, drawdown and sector exposure for a $50M fund. *Adopted by the investment committee.*

Education

BSc Finance 2019 to 2021

University of Example. First class honours.
