- Bloomberg

Selected work

Retail sector valuation

DCF model for six listed retailers with scenario analysis on margin and growth.

Supported a buy rating with 22% upside.

Cash flow forecasting tool

Rolling 13-week forecast in Excel and Python replacing a manual monthly process.

Cut reporting time from two days to two hours.

Portfolio risk dashboard

Power BI dashboard tracking volatility, drawdown and sector exposure for a $50M fund.

Adopted by the investment committee.

Experience

2023 to now

Senior Financial Analyst, Northbridge Capital

Lead valuation and sector coverage for the consumer team across 20+ listed companies.

2021 to 2023

Financial Analyst, Harbor & Co.

Built a rolling 13-week cash flow forecast in Excel and Python, cutting reporting time from two days to two hours.

2019 to 2021

BSc Finance, University of Example

First class honours.

Let's talk numbers

Open to new roles and freelance modelling projects.
